### **Kingman County receives bridge beams**

Workers for Rainbow Trucking of Great Bend unload used steel bridge beams on Oct. 23 for storage on Kingman County property. The Kansas Department of Transportation is giving the beams to the county. They are from a bridge over the Ninnescah River west of Kingman that KDOT is replacing as part of its improvements to US Highway 54. The 70-foot beams are valued at between \$200,000 and \$225,000 and may be used on a future county bridge project, according to Charles Arensdorf, Kingman County director of public works.
