### **Health Department to sponsor bicycle rodeo**

The Kingman County Health Department will sponsor a free bicycle rodeo from 10 a.m. to noon on Saturday, April 2 at the west side of Riverside Park in Kingman. The rodeo is for children in the first through sixth grades.

Each child should bring a bicycle and also a helmet, if possible. Each child also must have a signed waiver from a parent or guardian to participate. Waivers were distributed through the schools but also will be available at the rodeo.

There will be demonstrations on bicycle safety, including helmet fitting, bike checks and how to ride in different situations. Participants also will get to practice safe riding.

The first 25 children will receive a free helmet and all participants will be entered in a drawing to win a free bicycle. In case of inclement weather, the event will be held at the covered parking garage located on B Street, one block west of Main in Kingman.

Questions? Please call the Health Department at 620-532-2221.
