Health Department to sponsor bicycle rodeo

The Kingman County Health Department will sponsor a free bicycle rodeo from 9 a.m. to 10 a.m. on Saturday, Sept. 10 at the covered parking garage located on B Street, one block west of Main in downtown Kingman. The rodeo is for children in kindergarten through second grades.

Each child should bring a bicycle and also a helmet, if possible. Each child also must have a signed waiver from a parent or guardian to participate. Waivers will be available at the rodeo.

There will be demonstrations on bicycle safety, including helmet fitting, bike checks and how to ride in different situations. Participants also will get to practice safe riding.

The first 20 children will receive a free helmet and all participants will be entered in a drawing to win a free bicycle. Questions? Please call the Health Department at 620-532-2221.
