Public input sought on mitigation plan

The final draft of the South-Central (Region G) Multi-Hazard, Multi-Jurisdictional Mitigation Plan, which includes Kingman County, is now available for public comment.

Members of the public are invited to view the plan online on the Kingman County website (www.kingmancoks.com) or by going to the County Clerk's office during regular business hours. Changes, suggestions and corrections should be sent to Fred Simon, Kingman County director of emergency management, via e-mail (fsimon@kingmancoks.com). Or, if viewing the printed version of the plan, comments can be left on a paper form with the County Clerk.

The public comment period ends Dec. 18. After that date, the plan will be sent to FEMA for review.
