

**The Kansas Department of Transportation will be replacing the Hunter Creek bridge located on K-14 highway between SE 70<sup>th</sup> Road and SE 40<sup>th</sup> Road beginning June 1<sup>st</sup>.**

**Barricades will be placed at the corners of SE 70<sup>th</sup> and SE 40<sup>th</sup> limiting traffic on Berry Road and K-14 highway. However, these roads will remain open to local traffic.**

**If you have any questions or concerns about this work, please contact James Middleton, Construction Engineer, or Jeremy King, Project Coordinator, in the KDOT Pratt Office at (620) 672-7494.**

**We thank you in advance for your input.**
